## FROM THE EMMAUS BOARD OF DIRECTORS

I would like the community to know that we are fighting with all that we have to save the Superiorland Emmaus but we need your active help as well. Men especially need to come forward and begin sponsoring men. We need pilgrims for the walks, especially the men's weekend, or the movement will die and we won't be able to resurrect it. Please, Pray like you have never prayed before to see if this is something that God is leading you to take part in.

May God bless you and give you guidance

Cindi Tucker

### *The Walk to Emmaus and Luke 24:13-35*

The resurrection story told in Luke 24:13-35 illustrated what happens for pilgrims on the Walk to Emmaus: faith is re-explained, grace is re-experienced, Christian community is realized, and the body of Christ is renewed through the renewed commitment of church members; Christ's disciples. (Upper Room Handbook pg 6)

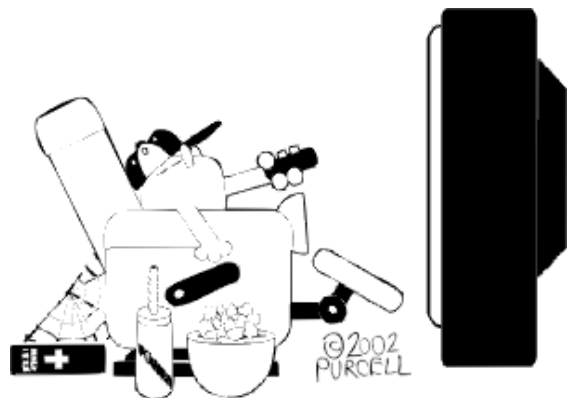

### *Why Do We Sponsor? What is Our Aim?*

The aim of a sponsor should not be "to get all my friends to go," to fill up the weekend, to fix people's problems, or to reproduce one's own experience in others. Rather, the aim of the sponsor is to bring spiritual revitalization to Christians who will, in turn, bring new life and vision to the work of the church in the congregation, home, workplace, and community.

*The aim of sponsorship is to build up the body of Christ.*

### *Reason for Recruiting*

The ultimate reason for recruiting someone to attend a Walk to Emmaus is to deepen that person's relationship with Christ and to create an enthusiastic disciple to work in God's kingdom. The ultimate reason you should want to recruit a person is Christ's love in you wanting that same love for the prospective Pilgrim. This is serious work, building the kingdom of God, and building a strong Emmaus community is part of the task. (Day Four; The Pilgrim's Continued Journey; pg 57)

If you can, please check the web site to see if your 4th day is listed.

If not, please send me the city, location, day and time and whether men's or women's. If the information already on the website is incorrect,
